Dear Excellency,

Subject: Verification of Pakistani licences

Greetings from the General Civil Aviation Authority of the United Arab Emirates.

In the wake of recent announcements by the Minister of Aviation of Pakistan regarding pilots holding fake licences; we would like to request your good offices to verify the licensing credentials of the attached pilots list who are currently holding UAE pilot's licences based on licences and qualifications issued by Pakistan Civil Aviation Authority. May we also request a clarification between "FAKE" and "SUSPECT" cases "if any" so we may take immediate and appropriate actions in the interest of safety of flight operations.

Additionally, the UAE employs a number of Aircraft Maintenance Engineers and Flight Operations Officers who converted their respective Licences issued by Pakistan Civil Aviation Authority. We would highly appreciate if a confirmation is also provided if there were any such compromise to the integrity of Aircraft Maintenance Engineer and Flight Operations Officer systems.

In the interest of safety of flight operations; we would appreciate if above requested information is provided at the earliest.

Best regards,

Saif Mohammed Al Suwaidi
Director General
